

~ The Turin Crucifix ~

~ *The most accurate crucifix based on the Relics of Christ's Passion* ~

A Presentation of the Turin Crucifix:

April 3rd at 7pm in the parish hall

St. John the Evangelist Church
20 Church St. Hopkinton, MA

Designed in the Worcester Diocese, with an *Imprimatur* from Bishop McManus for the book which describes all its details, this Crucifix is unique in its depiction of Christ's sufferings on the Cross.

Customers descriptions: *"Amazing, Epic, Powerful, Marvelous, Beautiful, Wonderful, Impressive, Stunning, Truly Accurate, Inspiring, Exquisite"*

A one-hour presentation describes:

- How the Shroud of Turin was used in making the Turin Crucifix
- The nature of the Crown of Thorns and the wounds it caused
- The size, shape, weight and type of wood of the True Cross
- The number, geometry and way in which the Nails were used
- The type of wood and the engraved, painted letters of the Titulus
- Instruments of the Passion – the Hammer, Pliers and Dice
- Possible exit wounds for the Crown of Thorns and the Lance

The presentation includes replicas of the Crucifixion Nails, Roman Flagrum, and the Lance.

A Question-and-Answer period follows the presentation.

All those attending the presentation will receive a free hard copy of the book, *Turin Crucifix – A Description of the Elements used in the Creation of the Turin Crucifix Sculpture*
